

Manitoulin Island Activities

In addition to the wonderfully clear water, the unspoiled air, rugged and beautiful scenery, the Island is a source of spiritual energy that refreshes and renews all its visitors.

Beautiful Manitoulin Island is a unique scenic region, where Native life and legends meld with European history to provide an unforgettable holiday experience.

Manitoulin Island offers you exceptional outdoor recreation right from our doorstep, no matter where you travel on the island each community has something unique about it. Whether it's waterfalls, scenic lookouts or adventurous trails, you will be sure to find something eye catching during your stay.
